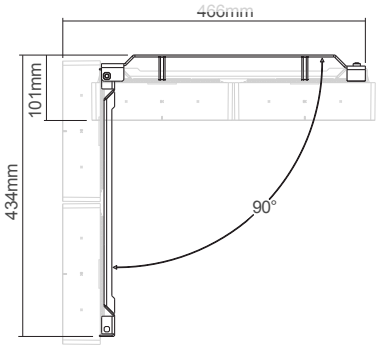
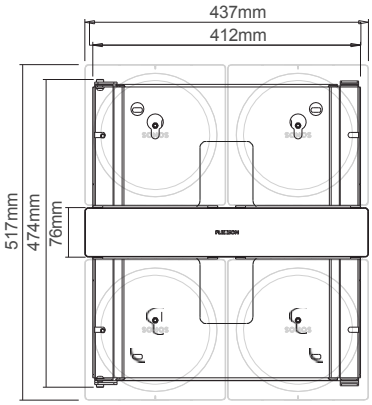
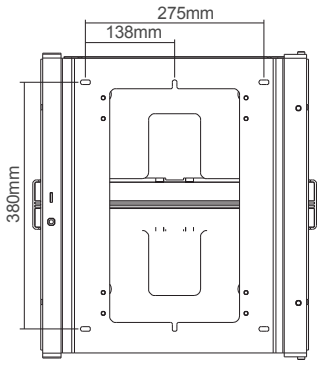
FLEXSON
ACCESSORIES FOR SONOS

WORLD'S BESTSELLING ACCESSORIES FOR EVERY SONOS PRODUCT

SA-X4WM **Wall Mount for 4 Sonos Amps**







Free up space with the Flexson Wall Mount for 4 Sonos Amps, the perfect way to wall mount up to four Sonos Amps. Once mounted the Sonos Amps are quickly fitted. The clever hinged frame is designed to make cabling simpler and if required the connections are easily accessible once the install is completed. Once the frame is closed and secured with the security screw, the units cannot be removed. In addition for extra security, a padlock can be fitted. From the front, the cables are concealed behind a colour matched cable cover.

- Wall mount and secure four Sonos Amps. Hinged design for quick installation.
- Bespoke design securely holds up to four Sonos Amps
- The frame can be hinged left or right
- Hinged design allows rear access to all four units for easy cabling
- Can be locked closed with included security screw or additional padlock
- Clever cable management to keep things tidy
- Precision engineered. Quick and easy to fit
- High grade-steel construction
- Available in black to perfectly match the Sonos Amp
- Designed and manufactured in the UK
